

To whom this may concern

Deinze, 20/04/2023

Concerning: GMO-statement

We, Versele-Laga nv, hereby confirm that all pet food from following production facilities are produced without Genetically Modified raw materials:

- BK, Aarschotsesteenweg 26, 3012 Leuven Wilsele, reg n° BE6001/PET012
(production plant for extruded petfood for dog, cats, ferrets, rat and mouse)

Consequently all above mentioned products are non-GMO products, in accordance with EC Regulations 1829/2003 (genetically modified foodstuffs) and 1830/2003 (traceability and labelling).

Yours sincerely,

Guy Werquin
Doctor in Veterinary Medicine
